TO WHOM IT MAY CONCERN

In consideration of Khyentse Yangsi's repeated statements that he does not regard himself as a "Shechen Lama," and in light of numerous concerning incidents, we sadly confirm that Khyentse Yangsi, Ugyen Tenzin Jigme Lhundrup, is no longer affiliated with Shechen Monastery—founded by Kyabje Dilgo Khyentse Rinpoche—and is relieved of all associated duties and responsibilities until further notice.
